All the freshness  
of the Atlantic climate  
captured in a red wine

## COSECHA RED WINE

### Singular wine

100 % mencia

33.500 bottles

75 cl

### SINGULARITY OF THE LAND

Mencia is one of the most popular red varieties of the Iberian Peninsula. Originally from El Bierzo, it stands out for its minerality and intense aromas of fresh fruit and violet. Smooth and with low acidity, it is ideal to consume young. Some unique characteristics which we want to perpetuate across the Maset Ibericus collection: the winery's commitment to biodiversity and the conservation of native varieties.

Light | **Fruity** | Mature | Intense

Body: ●●●○○

Sweetness: ●●○○○

Tannins: ●●○○○

Acidity: ●●●●○

Alcohol: ●●●○○

Alc.: 13,5 % vol.

Serving: 12 - 14 °C

Consume: best before 2025

Pairing: lacón with roasted peppers

Picota cherry-coloured with light violet reflections. Intense aromas of red fruits (**cherry** and **blackberry**) atop a fragrant floral background (**violet**) and balsamic (**eucalyptus**). Memories of strawberry yogurt, black pepper and **liquorice**. On the palate it is fresh, soft and sweet, with round tannins and an explosion of fresh fruit. Long, fruity finish.
