#### BIRTH OF A DREAM

Pau Massana, born June 6, 1777, to traditional farmers, was the first family member born on the Maset del Lleó state. This L'avi Pau gran reserva cava pays homage to the current family's first generation of lineage. The original seed of a two-centuries-old dream that continues more alive today than ever.

Pale yellow in colour with golden shades and fine, well-integrated bubbles. On the nose, it offers aromas of white ripe fruit (**apple**), citrus notes (**lemon peel**) and aromas of a long nurturing (**brioche** and **almond**). Hints of honey and **crabapple blossom**. In mouth it is dry, ample and creamy, with good structure and a long, persistent and refreshing finish.
